

CAROLINA PREGNANCY CENTER PRESENTS

# Family First 5k

TRAIL RUN

Dear Friend of CPC,

For more than 40 years, Carolina Pregnancy Center has been rooted in the Pitt County community as a pillar of hope to many facing unplanned pregnancy, in need of parenting support, or baby/maternity items.

This year, we are thrilled to be presented with new opportunities to increase our visibility in the community, with the goal of reaching new groups of volunteers, partners and most importantly clients! To honor mothers during the month of May, we are hosting: **Family First 5k: Trail Run, on Saturday, May 10, 2025.**

**Will you consider partnering with us to underwrite the cost of this event?** Proceeds from the event will go toward the work of CPC in our community. As an event partner, your organization will receive recognition in a variety of ways including web, social media, printed materials, and more. Additional details are available in the attached document.

Thank you in advance for your consideration and generosity. We have set a goal to reach 40,000 dollars, as our goal is to be completely community funded by next year.

Please don't hesitate to contact me directly if you have questions.
